Topic: Security Awareness

Bridge Owners, Region Bridge Engineers, bridge maintenance workers, and Bridge Inspectors travel extensively on our road and bridge network during the normal course of their work. We would like to remind everyone to be vigilant and to report suspicious activities.

If you need to report a suspicious activity, please use MDOT form 1508 (attached), and contact MDOT Safety and Security Administration (phone 517-373-1898), or the Michigan State Police (phone 1-877-616-4677).
